About CoffeeLovesTea

CoffeeLovesTea is a free online radio station and virtual coffeehouse run by Crystal Foster. Listeners tune in for real songs all day - seasonal collections including fall songs, winter thrillers, and cozy mysteries - plus four completely free video games: **Coffeehouse Rush, Bean Catch, Song Memory Match,** and **Field Goal Kick**.

The brand is built around a cast of animal characters - the "porch crew" - with themed days and daily social content. It also features **Cherry's Bookstore**, a curated thriller bookshop via Bookshop.org that supports indie bookshops.
